In the Matter of:

PURCHASED WATER ADJUSTMENT)	
OF WARREN COUNTY WATER)	CASE NO. 8233-1
DISTRICT)	

O R D E R

On December 27, 1982, Warren County Water District ("Warren County") filed an application with the Public Service Commission ("Commission") seeking authority to adjust its rates in accordance with 807 KAR 5:067, Purchased Water Adjustment Clause.

The Commission, having reviewed the evidence of record and being advised, is of the opinion and finds that:

1. Warren County purchases water from Glasgow Water Company and Bowling Green Municipal Utilities Board.
2. Glasgow Water Company increased the cost of wholesale water from \$.54 to \$.65 per 1,000 gallons, effective with bills due after January 1, 1983.
3. On October 29, 1982, Bowling Green Municipal Utilities Board notified Warren County that the cost of wholesale water would be increased from \$.5501 to \$.6045 per 1,000 gallons for the Westside/Morgantown Road area of the district and from \$.3561 to \$.3880 per 1,000 gallons for the Northside area of the district, effective February 1, 1983.

4. The calculations made by Warren County are correct and show a total allowable increase in purchased water costs of \$44,412.46, resulting in a purchased water adjustment of \$.05 per 1,000 gallons.

5. The financial exhibits filed by Warren County indicate that it cannot absorb an increase of this magnitude in the wholesale cost of water.

6. The purchased water adjustment and the rates in Appendix A are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that the purchased water adjustment in the amount of \$.05 per 1,000 gallons and the rates in Appendix A be and they hereby are approved for service rendered on and after February 1, 1983.

IT IS FURTHER ORDERED that for the purpose of future application of the purchased water adjustment clause of Warren County, the base rates for purchased water shall be:

<u>Supplier</u>	<u>Rate</u>
Glasgow Water Company	\$.65 per 1,000 gal.
Bowling Green Municipal Utilities Board	
Westside/Morgantown Rd. Area	\$.6045 per 1,000 gal.
Northside Area	.3880 per 1,000 gal.

IT IS FURTHER ORDERED that within 30 days of the date of this Order, Warren County shall file with the Commission its revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 28th day of January, 1983.
